Office of the President

Borough of Queens, City of New York

Citation of Honor

presented to:

Ashook Ramsaran

Indian Diaspora Council International

in grateful recognition of

your outstanding contributions to the Borough President's 2020 Queens Complete Count Committee. For close to two years, you shared your expertise as a trusted community partner to ensure that our borough was counted in the 2020 Census. Despite a public health pandemic, you remained committed to reaching out to diverse communities, whether through Phone Bank Fridays, socially-distant questionnaire assistance, my Census outreach campaign, or your creative initiatives. Even when the Census deadline changed, you continued with my Queens CCC Steering Committee and saw the effort to a meaningful end. I commend you for showing exemplary leadership on this civic engagement project that will shape the future of Queens for the next decade.

Presented on the occasion of the Queens Complete Count Committee's Farewell to the Census Event.

November 17, 2020

Sharon Lee

President of the Borough of Queens
