September 17, 2022 at 1:00pm @ 92-30 173rd Street, Jamaica NY

On July 12, 2020, our community lost a great humanitarian and spiritual leader. Dharmacharya Laldharry Seerattan was the founder of Shri Devi Mandir on 173rd street established in 1988. He spearheaded many humanitarian missions with the support of his children, extended family and community members, which later inspired the formation of Shri Devi Mandir Global Humanitarian Mission. Both of which have been highly acclaimed by the Queens Borough President and several other officials and organizations throughout the states and globally. Dharmacharya's dedication to serving his community, near and far, was indeed admirable. He recognized the beauty of giving and served his community incessantly for much of his life. To honor his legacy, 173rd street will be co-named in remembrance of all his outstanding contributions to his community locally and globally. Shri Devi Mandir is located on 173rd street between Jamaica Avenue and 93rd Avenue, which will be co-named "Pt Seerattan Way."
